

# STILLWATER'S TOPTRACER RANGE

## DRIVE IN A NEW DIRECTION

---

### Stillwater's Toptracer Technology

Toptracer has transformed how we watch golf on TV and how we practice golf at the driving range. Using the same dynamic technology you see on PGA Tour broadcasts, Toptracer completely transforms the old "driving range" experience giving you the real-time data analysis on every shot. Test your skills on world-famous virtual golf courses, competing against your friends in person, as well as players around the world.

### Rate

**\$39 PER HOUR**

*All bays are booked by the hour and can include up to 6 people per bay.  
Range balls are included.*

### Hours of Operation

Tuesdays - Saturdays | 4PM - 9PM

Sundays | 11AM - 4PM
